Living and working in North Wales offers an excellent environment for anyone seeking an enhanced quality of life. Long regarded as one of the most beautiful places in the UK, the area has much to offer, especially in terms of outdoor pursuits, cultural and leisure activities.

North Wales Fire and Rescue Service are seeking to identify suitable individuals for Station Manager (B) Control roles. The promotion board process enables successful applicants to be eligible for appointment within a 12-month period or until a new process commences. As per Grey Book terms and conditions the appointments are interchangeable with any other post of the same role within the Control Department.

Applications are invited from substantive and competent Watch Managers and existing Station Managers employed in a UK Local Authority Fire and Rescue Service who hold sector competence in the Control Room. The successful Applicant will also provide operational cover for the Control Room on a flexible basis.

Candidates will need to be exceptional leaders who can make a significant contribution to the management of the Control Room and staff. Ideally, therefore, candidates will be able to evidence a strong, credible record of leadership, experience and achievement.

Candidates will be required to complete a full application form having read the guidance notes carefully in relation to providing evidence against all the essential criteria in the person specification. Candidates will be required to deliver a 20-minute presentation (the presentation topic will be advised within the confirmation of shortlisting) and answer questions in relation to the presentation delivered and the requirements of the role.

Welsh Language skills are a requirement of this post and ideally candidates will be able to demonstrate Level 3 Welsh on application, however, this is not an essential selection criterion and full support and training will be provided to successful candidates.

It is envisaged that interviews will be held over several days commencing from 7<sup>th</sup> April, 2025. Please be advised that if candidates are unable to attend on the scheduled interview date, the Service may be able to make alternative arrangements.
