RECOMMENDATION

- 5 It is recommended that Members:
 - i) **note the contents of the Annual Performance Assessment for the period 2025/26; and**
 - ii) **approve the Annual Performance Assessment 2025/26 for review and consideration by the Fire and Rescue Authority ahead of the publication on the website.**

BACKGROUND

- 6 The Annual Performance Assessment is a self-assessment of progress against the previous year's improvement (The Measure 2009) and Well-being objectives (Well-being of Future Generations Act 2015).
- 7 There is flexibility in how FRAs choose to report on their performance but for consistency in reporting and accountability it is recommended that all reports contain:
 - Evidence of the processes that the FRA has gone through to discharge its general duty to improve as expressed in the previous year's improvement plan;
 - A summary assessment of the FRA's view of its success in achieving its improvement objectives as set out in the previous year's improvement plan;
 - A statement of performance as measured by all statutory PIs, whether or not these relate directly to improvement objectives;
 - Details of other performance information and its use, including the results of peer review, any assessments made by the Chief Fire and Rescue Adviser and other sources of qualitative information including benchmarking data;
 - An assessment of performance by comparison with the FRA's performance in previous years and with other comparable bodies (including other FRAs) so far as this is reasonably practicable;
 - Details of the ways in which the FRA has exercised its powers of collaboration during the reporting year including details of whether a collaborative activity has achieved its intended outcomes; and
 - Any statements of activity that the FRA has issued as a result of any reports issued under Section 19 of the Measure by the Auditor General for Wales to that FRA in that reporting year.

INFORMATION

- 8 The design of this Annual Performance Assessment mirrors the 'Our 5 Principles' design, and is consistent with the design of the APA 2024-25
- 9 As it is the second year of the five-year plan, a reflection of progress over the life of the plan is included, as well as the annual update on progress.
- 10 The APA contains the All-Wales Dwelling Fire Response Charter.
